Product Family: SIMATIC S7 200 Programmable Controller, 2nd Generation

The indicated product family is in conformance with the regulations of the following European Directives:

89/336/EEC Council Directive on the harmonization of the laws of the member states relating to electromagnetic compatibility (EMC Directive).

Additional details concerning adherence to this directive is provided in Appendix EMC.

73/23/EEC Council Directive on the harmonization of the laws of the member states relating to electrical equipment designed for use within certain voltage limits (Low Voltage Directive).

Additional details concerning adherence to this directive is provided in Appendix LVD.

94/9/EC As set out in Article 9 of European Community guideline 94/9/EC of 23 March 1994, the fundamental safety and health requirements for the conception and construction of devices and protection systems for agreed use in hazardous areas are confirmed in accordance with Appendix II of the guideline.

Additional details concerning adherence to this directive is provided in Appendix ATEX.

1999/5/EC Directive of the European Parliament and of the Council on radio equipment and telecommunications terminal equipment and the mutual recognition of conformity (Telecom Directive).

Additional details concerning adherence to this directive is provided in Appendix Telecom.

Appendix ATEX CE DECLARATION of CONFORMITY

Product Family: SIMATIC S7-200 Programmable Controller, 2nd Generation

Conformity of the designated products with the regulations of Directive 94/9/EC is demonstrated by adherence to the safety and protection considerations in potentially explosive atmospheres addressed by the standards below.

Harmonized European Standards:

Reference Number	Date Issued:
EN 50021	1999

The ATEX directive shall only apply to units manufactured after March 2005 and to only units that explicitly display the ATEX mark. The SIMATIC S7 200 2nd Generation product family to which the CE marking applies with respect to 94/9/EC consists of the following components:

Product Description, 2 nd Generation Products	Siemens Model Number
